December 1, 2022

As 2022 comes to a close, all of us at JA Frate would like to thank you for your valued and continued partnership. In the ever-changing dynamics of the freight industry, we are grateful that you continue to choose JA Frate to supply your transportation needs.

Despite these extraordinary times, the core of our business is still focused on providing you with the best possible transportation service. We work daily at JA Frate to provide the quality and service you have come to expect. In order to continue to maintain our standard of superior service, it is necessary for us to implement a 5.9% overall rate increase effective 2/1/2023.

If you have any questions or require additional information about your rates, please contact your Account Manager. As always, we remain committed to providing you with 50+ years of experience, safety, flexibility, and unmatched quality process designed to make you look good to your customers. We look forward to a long and prosperous partnership.

All of us at JA Frate wish you a safe and Happy Holiday Season.

Sincerely,
